## MANUS

### LAGREIN RISERVA

Selected grapes through aging in barrels give special notes: a seductive intense ruby red, lively scents that recall berries with delicate notes of chocolate. The Lagrein Manus persuades the palate with a robust, full and velvety structure.

Manus: the hand.

Nature is not the only hero of the success of this wine, also the hands of farmers who take care of the vineyard from the time it is planted have a main role. From vintage to cellar processing, up to the sale, it passes through a lot of loving hands.

This Lagrein Manus is bottled only in exceptionally good vintages.
