SONUS Gewürztraminer Passito

SONUS Gewürztraminer Passito IGT Mitterberg

WINE GROWING AREA

The vineyards of this Gewürztraminer Passito are in Tramin and Oltradige - Bassa Atesina, at 320-400 metres above sea level on clayey soil.

HARVEST AND YIELD

A few days before Christmas, the grapes are carefully selected by hand, with a production of 25 hectolitres of wine per hectare.

VINIFICATION

The fully ripe and dried grapes undergo cold maceration for about 7 hours before pressing. Fermentation at a controlled temperature of 20°C and refinement on the yeasts give this raisin wine its particular notes.

WINE DESCRIPTION

The perfect composition of complex fruity notes and the balanced harmony of noble sweetness and elegant acidity bring a true symphony to the palate. The Sonus dessert wine is a combination of intense notes of mango and ripe apricots, which come from the Gewürztraminer grapes rosined in the vineyard and aged in small barrels. The vibrant harmony of fruity notes, inlaid with acidulous notes balanced by elegant sweetness, make Sonus a true masterpiece.
